

SHALOM from God to you! One needs to be totally ignorant not to realize the seriousness of the times we're living in. God is calling His people to wake up, resume the position He has already put us in, and obey the Word as enlightened by the Holy Spirit. It is paramount today that each and every one of us, "abide in the secret place of the Most High" (Ps 91). As we do, we will hear His voice and "remain under the shadow of the Almighty" and thus be daily led by His Spirit.

*We have seen things develop in the Amazon at such a speed that it "blows our mind"! No human could ever have planned it: **Key Indian leaders directing the advance into Brazil. Key co-laborers in Colombia, for the "final conquest" of ALL tribes, positioned as well. HUGE victories for the Kingdom! God has truly "put a table for us in the middle of our enemies"!** Please pray for: 1. Russ as he tries to raise \$200k to buy a small airline (incl. 3 planes) that is the*

only one in Colombia with permit to use all the airstrips where the Tribes have the Word, but no believers as yet! We just need to get the workers in, and serve them!

2. A ministry house in a strategic place at the corner of Colombia, Peru and Brazil. (\$45k).

3. Pray also for Leo who is the main coordinator for

the Brazil advance. He also needs monthly support. 4. Last, but not least: our dear co-workers Gordy & Kathy Hagfors will have to terminate their fine service to send out these letters to you, due to an acute serious medical problem. Please pray for Gordy's total recovery! Please pray also with us for replacement(s), and for us as we labor with the mission re-organization.

*Privileged to serve The KING together with **YOU!***

With love and gratitude,

Roland & Barbro Silen (in above photo, on the Amazon river)
