MINISTRY REPORT

September 2020

Dear Friends and Mission Partners,

Thank you so very much for your prayers and generous giving to the mission! You are a most important and valuable part in this endeavour, "TO GET THE FINAL HARVEST OF SOULS IN" from the Tribes.

In Jesus' final instructions to His disciples (Matt. 28:18-20), He laid out an amazing plan for all His disciples - both then and now, 'to go and make disciples!' He basically said (in Matt. 24-3-14): 'When you've done it, I'll return for you'. The original language of the Great Commission makes clear the one central command in these verses: is to "Make disciples of all ethne". The Greek word *ethnos* (singular of 'ethne'), is defined as a "body of persons united by culture, traditions" and in Rev. 7:9, as "tribes, peoples and languages".

Now, since we know that all political Nations have been reached, there still remain (perhaps !?) some of the tribes (*ethne*) that haven't yet been reached. That is precisely why we write this to YOU, some who have been with us for 5 decades (!), to ask you to PRAY to God, the Lord of Harvest to send out workers to the Harvest Field, and more precisely to the remaining Language groups in Brazil, and for us to hear His voice, and, let HIM do it through us all! (IMPORTANT: Only GOD knows when Jesus will come back. We simply need to do what Jesus commanded us, the Body of Christ, to do.)

Today we received news from the coordinator of our Seminary in Brazil (Um1), that the next training seminar will start Jan. 4th, 2021. We want to help with some of the expenses (e.g. new gas stove, chairs, utensils, stationary, etc.). The estimate total cost is \$2,900. If you feel led to help with this, mark your check 'Brazil Seminar'. Thank you and God bless you!

Barbro and I are in Sweden since July 3rd. We apologize for not being able to be in personal contact with you, but we are doing fine receiving some routine medical attention, and enjoying fellowship and great help from our son Joakim and Brittis, his wife. Since the house we're renting is a big old farmhouse on an island, we have a lot of room when they desire to come and combine work with relaxed living, like picking blue berries and mushrooms!

The Lord willing we'll be leaving for the US, enroute to Brazil early next year. Thank you for praying and supporting this, as we see it, our final engagement in our common goal to help, to "bring in the Harvest of ETHNE" !

Lovingly in Jesus,

Sunset in a Stockholm archipelago
