MINISTRY REPORT

Summer 2021

Dear Brothers and Sisters in Christ,

"Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers" (3 John 1:2)

That is our desire and prayer for all of you that are such a vital part of this ministry by prayers, active practical involvement, financial support, etc. From the bottom of our hearts, THANK YOU AND GOD BLESS YOU!

The July, Um1 Brazil Seminar, is progressing well. It was shortened, due to Cov 19 restrictions, to July 10 - 30th. Jhon Fredy and Luisa, the couple that we have in charge with the total coordinating are now sponsored by Mercy Air. Please pray for wisdom and for the economy as we take this step of expansion. They have two little darling girls, Salem (2 year) and Barbarita (4 months).

Barbro and I, Roland, are well and grateful for all the help we've received here in Sweden related to treatment and care of 'age related' health issues. We hope to see some of you, starting in September in MN/WI and from there going southward through NC and finally to FL before we fly to S. America!

Some of you have asked, 'How did y'all get in to this mission work ?' The vision God gave us, to reach the "Ethne", nations that are not reached by the Gospel, happened 1967 when we were in Kenya, planting a church among the Kuria people. (That later grew to thousands of churches in East Africa and abroad, MFA Maranatha

Faith Assemblies). While there, we saw the Masai tribe.. and the thought came.. 'has anyone told them of Jesus?' That led us to later joining Wycliffe and then decades after, to start Mercy Air, of which YOU are a most vital part! All the glory goes to HIM, Who does the work, through You and us!

Be encouraged ! God has not given you a spirit of fear, but of power, love and a sound mind!
(2 Tim. 1:7)

Lovingly, serving Jesus together with you,
For all of us at Mercy Air International,

Roland and Barbro
